

# Coral life checklist

## Adding the coral, algae and plants

1. Choose at least two types of plants or algae and two corals from the list opposite.
2. Use the Coral life templates and have a look at the Coral life gallery to help you colour and decorate your reef.
3. Stick these examples of coral life to the bottom of the sides of your box

## Adding a range of other life to the reef

1. Select a range of other coral creatures for your reef. Try to have a selection of different types of invertebrates, fish, and other vertebrates.
2. Use the Coral life templates and have a look at the Coral life gallery to help you colour and decorate your reef.
3. You can place the coral life on the seafloor, or use thread to hang them from the top of the box or place them at the top of your mural.

### Plants and Algae

- |                            |                          |
|----------------------------|--------------------------|
| Seagrass                   | <input type="checkbox"/> |
| Seaweed (macroalgae)       | <input type="checkbox"/> |
| Phytoplankton (microalgae) | <input type="checkbox"/> |

### Corals

- |                |                          |
|----------------|--------------------------|
| Boulder coral  | <input type="checkbox"/> |
| Staghorn coral | <input type="checkbox"/> |
| Brain coral    | <input type="checkbox"/> |
| Plate coral    | <input type="checkbox"/> |

### Vertebrates (fish)

- |                |                          |
|----------------|--------------------------|
| Manta ray      | <input type="checkbox"/> |
| Tiger shark    | <input type="checkbox"/> |
| Parrotfish     | <input type="checkbox"/> |
| Trevally       | <input type="checkbox"/> |
| Cleaner wrasse | <input type="checkbox"/> |
| Clownfish      | <input type="checkbox"/> |

### Vertebrates (other)

- |                        |                          |
|------------------------|--------------------------|
| Dolphin (mammal)       | <input type="checkbox"/> |
| Noddy (bird)           | <input type="checkbox"/> |
| Green turtle (reptile) | <input type="checkbox"/> |

### Invertebrates

- |                                       |                          |
|---------------------------------------|--------------------------|
| Sea anemone (cnidaria)                | <input type="checkbox"/> |
| Sea slug (mollusc)                    | <input type="checkbox"/> |
| Triton's trumpet (mollusc)            | <input type="checkbox"/> |
| Copepod (crustacean)                  | <input type="checkbox"/> |
| Mantis Shrimp (crustacean)            | <input type="checkbox"/> |
| Crown-of-thorns starfish (echinoderm) | <input type="checkbox"/> |
